

2020 FORD TRANSIT CAMPERVAN

\$84,250 + GST

Stock # 2007

Live the #Vanlife you've always dreamed about with an expertly crafted 4-seater, RWD campervan conversion. Fully insulated and 4-season Ford Transit campervan has low KMs and ready for all your future adventures. Inside you'll find a modern interior with white cabinetry, wood panelled ceilings, LED lighting, and rustic accents like the live-edge shelf and simple to use water system. Keep warm with the B4 Airtronic Eberspacher heater and cruise the open highways with the popular Ford Ecoboost 3.5L turbo engine. Off grid! The 250W solar kit and chassis charge line, plus backup battery charger, ensure you have available power all the time. Tons of storage for your gear. Ready to go or be further customized to suit your own adventures. Camperized materials list below.
